

From stand-alone individual systems to full-scale, turnkey solutions that can achieve complete reuse zero discharge, we will help you achieve your wastewater treatment goals.

FEATURED TECHNOLOGIES

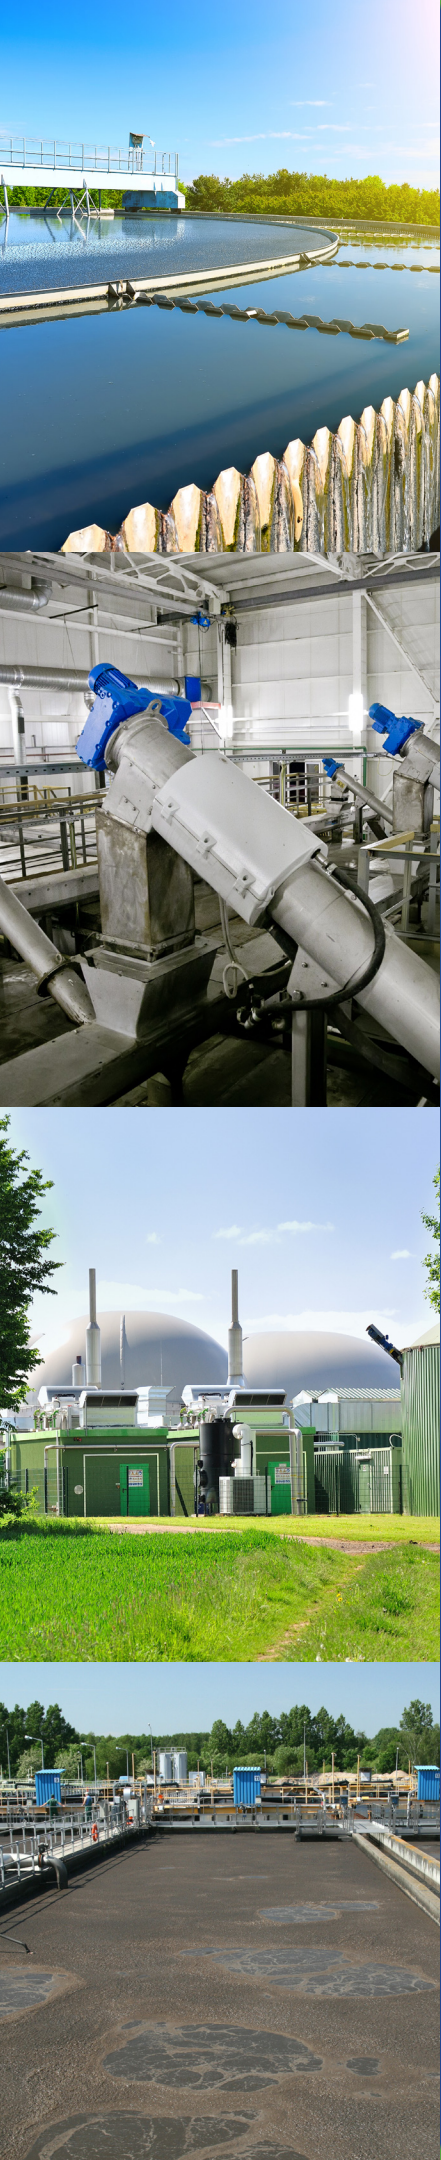

Discover the right technology to solve your wastewater problems

INNOVATIVE TECHNOLOGY...PROVEN RESULTS

www.icsgrouptechnology.com pauln@theicsgrp.com (920) 661-7668

Our services and technologies provide our clients with the ability to meet changing environmental regulations, reduce operating costs, and improve operational efficiencies.

WATER & WASTEWATER TREATMENT SOLUTIONS

Advanced Treatment

AquaPoint
Nexom

Aeration

Jaeger Aeration
Lemna Environmental
Moleaer

Air/Odor Treatment

Lemna Environmental

Biological Treatment

AquaPoint
Lemna Environmental
Nexom

Clarification

Nexom
Nuove Energie
P-TEC
Zima/Kusters Water

CSO/SSO

PWTech

De-Ragging

DERAGGER

Digestion/Renewable Energy

Lemna Environmental

Disinfection/Advanced Oxidation

BioLargo
ULTRAAQUA

Drinking Water

BioLargo
Moleaer

FOG/H2S Control

Moleaer

Lagoon Treatment

Lemna Environmental
Moleaer

Material Handling

SPIRAC

PFOS/PFOA Treatment

BioLargo

Phosphorous

AquaPoint
Lemna Environmental
Nexom
Nuove Energie

Primary Treatment

Fluidyne
Moleaer
Nexom
Nuove Energie
P-TEC
Zima/Kusters Water

Screening/Filtration

Amiad
Nexom
Nuove Energie
Zima/Kusters Water

Secondary/Tertiary Treatment

Lemna Environmental
Moleaer
Nexom
Nuove Energie

Sludge Management

Lemna Environmental
PWTech
Shincci USA
SPIRAC

Tank Mixing

Fluidyne
Moleaer
Pulsair
